MISSION STATEMENT

THE CATHOLIC CHURCHES OF ST. PATRICK OF CEDAR LAKE TOWNSHIP AND ST. CATHERINE OF SPRING LAKE TOWNSHIP ARE COMMUNITIES OF LOVING AND CARING PEOPLE CENTERED IN JESUS CHRIST.

Thus we:

- * Celebrate our faith through partaking in the Eucharist and the Sacraments;
- * Share in teaching the Word of God through preaching, education, and service;
- * Work together to provide spiritual care, direction and fellowship, and to promote charity and justice for all;
- * Share our time, talents, and treasures with our families, parish, and surrounding communities;

WE DO THIS BECAUSE CHRIST SAID "LOVE ONE ANOTHER..."
 THROUGH LOVE, WE WILL GROW IN UNION WITH GOD AND PEOPLE.

VISION STATEMENT

Working together, results are forever.

SECOND COLLECTION: In his first encyclical letter, *God is Love (Deus Caritas Est)*, Pope Benedict XVI stated that “within the community of believers there can never be room for a poverty that denies anyone what is needed for a dignified life” (no. 20). In our own country, 37 million Americans struggle in poverty, many despite working full-time. Within our community of believers we *do* make a difference—when we support the work of the Catholic Campaign for Human Development. CCHD is committed to helping people create permanent solutions to the problem of poverty in their community. You can help break the cycle of poverty. Please give generously to the CCHD appeal next weekend. Please use the envelope attached to your bulletin this week for the collection. Visit povertyusa.org to learn more.

STEWARDSHIP

The next time you see geese heading south for the winter flying along in V formation, you might be interested in knowing what science has discovered about why they fly that way. It has been learned that as each bird flaps its wings, it creates an uplift for the bird immediately following. By flying in a V formation, the whole flock adds at least 71% greater flying range than if each bird flew on its own.

Christians who share a common direction and a sense of community can also get where they are going quicker and easier because they are traveling on the thrust and uplift of one another.

Whenever a goose falls out of formation, it suddenly feels the drag and resistance of trying to go it alone, and quickly gets back into formation, to take advantage of the lifting power of the bird immediately in front. If we have as much sense as a goose, we will stay in formation with those who are headed the same way we are going. When the lead goose gets tired, he rotates back in the wing and another goose flies point. It pays to take turns doing hard jobs with people at church or with geese flying south. The geese honk from behind to encourage those up front to keep up their speed. What do we say when we honk from behind?

Finally, when a goose gets sick, or is wounded by gun shot and falls out, two geese fall out of formation and follow him down to help and protect him. They stay with him until he is able to fly or until he is dead; and then they launch out on their own or with another formation to catch up with their original group.

The geese who helped each other shared. Sharing is both serving and giving. It’s a part of our “stewardship.” We believe that it is the privilege of the Christian to dedicate what he has, what he is, to God. We commonly speak of time, talents, and possessions: How we use these is a choice we make which indicates the depth of our faith.

You can share your time by serving in the activities of your church. You can share your talent—your abilities—by answering the call for workers. “Also, you can share your possessions disciples of all nations.”

You can acknowledge the priority of God’s work by giving your time, talent, and treasure in the proportion of these gifts God has given you.
