STEWARDSHIP THOUGHT

The Scriptures call each of us to a deeper awareness of the wonders of God's blessings, the gifts that He has showered on us in so great an abundance, and to the challenge to use those gifts and talents creatively and responsibly.

THE BEST TALENTS

The congregational meeting was over. Almost everyone had gone home, except Howard Humble who was doing the dishes. "Howard, how come you are doing this alone?" asked old Sam Elder.

"I volunteered for it. Never had any religious education, so there's lots of things I can't do." answered Howard.

"I admire a man who doesn't mind doing the humble chores of the church." Sam said.

"Yes, if Jesus could wash his disciples' feet, then I can wash a few dishes," Howard explained.

"Well said!" countered Sam, "However, please remember that Jesus did that only one time to teach his disciples an important lesson. The rest of the time, he had better things to do."

"What are you getting at Sam?," asked Howard.

"Simply this," said Sam, "We must serve Jesus with the best talents we possess. To do less is to dishonor those talents that God gave you, Howard. You have a demanding job that proves you are talented. Try to find a task in the church where you can use those talents to the Glory of God."

"But I don't know what I can do. I just can't go pushing my way into things" said Howard.

"You will have to show us what you can do, Howard," Sam explained, "You may have to develop a task that this church has never attempted before. Keep trying! God will guide you to the task he has reserved for you."
