Dear Religious Education Teachers, Aids, & Staff Volunteers,  
 I would like to extend my appreciation for your selfless contributions throughout the religious education year. You've reached our kids in ways you may not know or appreciate right now, but will be evident in the years to come. Congratulations on a great job—your influence is evident in that our parishes always seem to produce good kids who have a strong desire to live as God wants them to. Thanks for another great year!

### NO MATTER WHO YOU ARE

No matter who you are or what you do—no matter how meaningless you consider your life's work—you can achieve greatness in the eyes of God by doing your work to the best of your ability and offering it up to him.

Life is something God has given us to take care of. We may use our talent or ability to achieve material goods, but these are gifts from God to begin with.

It is clear that we must give of what we are, as well as what we have. This means cultivating an attitude of generous giving and getting into the habit of thinking of others.

April 25, 2005 Message from Our Lady of Mediugorje:  
"Dear Children! Also today, I call you to renew prayer in your families. By prayer and the reading of Sacred Scripture, may the Holy Spirit, who will renew you, enter into your families. In this way, you will become teachers of the faith in your family. By prayer and your love, the world will set out on a better way and love will begin to rule in the world. Thank you for having responded to my call."

### STEWARDSHIP—

A Christian steward does not dedicate his time, his talent, his treasure that they may become God's but because they are God's.
