FESTIVAL 2004 WAS A TREMENDOUS SUCCESS!

It is truly remarkable to witness the tremendous hard work, coordination and level of dedication that takes place during Festival Week at our parish. Every year we are amazed at how our parishioners lend their God given talents and strengths to continually improve our festival and our parish community. This year was no exception. The new pavilion and storage shed was completed only days before the event. Our new kitchen worked very well, the new dining room layout was more efficient, as was the chicken preparation process. The new grounds layout was well received by festival goers and the expanded Saturday set up were all essential to our success. The weather, music, and atmosphere were all ripe for a perfect day. We sold out of the raffle tickets, all of the chicken, all of the snack bar items, and all of the children's prizes were given away—what a day! Whether your part was great or small, it took us all to create such a great day, and to prove, once again, that St Patrick's is "the little church that could.". **THANK YOU EVERYONE!**

STEWARDSHIP—Stewardship of PROPERTY

We bring nothing into this world...
and we take nothing out of it.

EVERYTHING that we have while we are here comes as a **GIFT FROM GOD...**

Giving money to the church is a **Symbolic Act**—the offering of ourselves in service and devotion to God. Giving is a **practical** matter, too, because the offering makes it possible for the church to pay its bills and carry out its mission in Christ's name.

PARISH NURSE PROGRAM: Are you aware that teens say adults are their main source of alcohol at home, in bars, in restaurants, in stores, and on the street? If you provide alcohol to anyone under 21, you could go to jail for 1 year and pay a \$3,000 fine. If you give teens alcohol and they get hurt or hurt someone else, you can be sued for damages. Adults, DON'T DO IT; and teens, DON'T ASK!
