MISSION STATEMENT

THE CATHOLIC CHURCHES OF ST. PATRICK OF CEDAR LAKE TOWNSHIP AND ST. CATHERINE OF SPRING LAKE TOWNSHIP ARE COMMUNITIES OF LOVING AND CARING PEOPLE CENTERED IN JESUS CHRIST.

Thus we:

- * Celebrate our faith through partaking in the Eucharist and the Sacraments;
- * Share in teaching the Word of God through preaching, education, and service;
- * Work together to provide spiritual care, direction and fellowship, and to promote charity and justice for all;
- * Share our time, talents, and treasures with our families, parish, and surrounding communities;

WE DO THIS BECAUSE CHRIST SAID "LOVE ONE ANOTHER...,"
 THROUGH LOVE, WE WILL GROW IN UNION WITH GOD AND PEOPLE.

Instrumental Music

Musical instruments aid our efforts at worship. They support singing by establishing its tones, rhythms, and speed. But at other times instruments make music all alone, without the addition of the human voice.

To introduce a song, instruments usually play a brief phrase, but sometimes the introduction is expanded into a complete piece of music on its own. At other times the introduction is reduced to a single pitch.

Instrumental music may be played before the service begins, during the preparation of the altar and the gifts, at communion time, and at the end of mass. Such music can facilitate prayer. It can calm our spirits—or energize them. It can move us to repentance or remind us of God's unbounded mercy. It can call us to generosity in time, talent, and treasure.

Sometimes instrumental music seems to fill up time at mass. It can cover the use of incense, and it can fill the air with harmonious sound when the communion hymn did not quite last long enough for everyone to receive.

The rubrics for the mass never mention the singing of a final hymn. Although many congregations sing a closing hymn in the United States, in other countries instruments play while the ministers and the faithful leave.

The literature for organ solo is especially large and diverse. Over the centuries great composers have written exceptionally beautiful music for the organ to play at mass. In the past, the organist even played while the priest prayed the canon quietly, but instruments are not to compete with the priest when he is praying aloud (*general instruction of the roman missal*). During Advent, instrumental music may be used with moderation, and it should be avoided during Lent.
